**The Historical Record is Clear:  
 America Was Built on Christian Principles**

"We have been assured, Sir, in the Sacred Writings, that 'except the Lord build the House, they labor in vain that built it.' I firmly believe this; and I also believe that without His concurring aid we shall succeed in this political building no better than the builders of Babel."-Benjamin Franklin, statement he made at the Constitutional Convention, July 28, 1787

"I have a tender reliance on the mercy of the Almighty; through the merits of the Lord Jesus Christ. I am a sinner. I look to Him for mercy; pray for

me."-Alexander Hamilton's last dying words, July 12, 1804

His is all the inheritance I give to my dear family. The religion of Christ will give them one which will make them rich indeed."-Patrick Henry in Last Will and Testament, November 20, 1798

## Beech Grove News / Prayer Requests

---

**Sick list - members, relatives and friends:** Kristin's mom Sandra Toops, is in the nursing home in Shelbyville. Laura Singleton has been in Manchester Hospital. Remember our Beech Grove members who have chronic pain.

**Traveling** - Joan Dennis will be traveling with Brian from time to time due to his job change.

**Died** - Hoyt Tenpenny died this week. Our sympathy to his family. They lived next door to the Beech Grove meeting house.

**Chile relief work** This is the week the workers went to earthquake damaged Lota, Chile to work in medical, clothing, and building efforts, and to open doors for teaching the gospel. About half of the workers, including those from Tennessee were delayed leaving Nashville because of storms in Atlanta and barely missed (by 2 minutes) their connecting flight Friday night from Atlanta to Santiago. They waited almost 24 hours for the next flight Saturday night. The workers who had flights which made the connection are waiting until the rest of the group arrives Sunday morning, then they will travel 7 more hours by bus to Lota. For news on the events, check on the internet for Panama Jack's blog. Jack Farber has done much of the preparation for the trip and does a great job of reporting how things are going when he is involved in a mission trip.
