

# LIONS CLUB FUNDRAISER

## Opening Act - Steve Myatt and Friends

### Courtney's Restaurant Friday, June 11, 6-8 PM

Tired of COVID? Have a taste of NORMALCY! The Lions are having our first entertainment/fundraiser since the "plague". Our event at Courtney's gives you a chance to get out of the house. . . Join your fun-loving friends. . . Have good clean entertainment and enjoy a meal of your choice.

Just go through the buffet line at Courtney's and choose your meal. We encourage you to get a full course! The restaurant gives the Mt. Juliet / West Wilson Lions a percentage of the meal tickets between 6 and 8. The food is at regular prices, and there is no charge to enjoy the planned entertainment.

Other donations enable us to screen young children for eye problems, buy glasses and hearing aids for the needy, support needy diabetics with supplies, support local food banks, fight cancer and diabetes in children, as well as childhood diseases in impoverished nations. We also help with disasters such as the Mt. Juliet tornado through LCIF, our international organization. We support guide dog training to provide dogs and training to blind people, at no charge.

Our club is in need of willing hands to help with our work. Some never join our club but still help in our projects. But if you a heart to serve others, in a club which returns **all** money raised from the public back to the community, and handles administrative costs with dues and members' internal donations, please get more information from a Lion at this event.

These musicians are favorites of the Lions because of their unselfish service at past fundraisers.

This picture was taken in the home of "Pirate", a guide dog for **Lion Steve Myatt**. To the left of Steve is **Bill Manley**. In front, L-R are **Tim "Slim" Stevenson** and **Sandy Evans**. They will open the program with musical fun at about 6 P.M

## Rik Roberts - Family Friendly Comedian

Closing out the night of fun we have **Rik Roberts**, an entertainer you may have enjoyed on Huckabee Show, Dry Bar Comedy, Sirius Radio, or other venues. Recently, Rik co-starred in "Mayberry Man." This family- friendly movie was filmed in the Fall of 2019 with a release date tentatively scheduled for mid-2021. Rik shares the Guinness Book World Record for Longest Stand-Up Comedy Show – which lasted over 7 days. He also entertained Lions from across Tennessee at our State Convention. We are delighted to share him with friends and neighbors.
